

Oberseminar Theoretische Informatik
Sommersemester 2010

Dr. Gábor Farkas

New Prime Records

Mi. 07.04.2010 um 14:00 (c.t.) im Seminarraum 3319 (Ernst-Abbe-Platz 2,
3. Stock).

As a matter of fact this sort talk is a continuation of my last talk in Jena in which I spoke about our investigations connected with large prime numbers. A couple days after those presentation we found the largest known Sophie Germain prime. I will report on the new world record.
